Communications: Otisco received a letter from the City of Belding. They are informing us that their Planning Commission is going to update their Master Plan, and they are sending it to us for any comments. Pike stated that it would be a good time for this township to work on the Master Plan for Otisco.

Reports:

Deputy: Sheriff Deputy Tefft reported that there were only 43 calls for this township; 4 crashes & 4 criminal. All in all it was a good month.

Assessor: All board members received a report.

Cemetery: A person has been contacted about the broken head stone from the last storm. His thought was that we should lay it on the ground by the piece that was left standing.

Zoning Administrator: All board members received a report.

New Business: Snow Plowing for 2024-2025: We received one bid from Belding Lawn Care. Each plow \$50 and salt \$20 a bag (as needed). Byrne moved to approve the bid and Sower supported. 3-1 approved Borek only no vote
